

The Power of Intention

Adam has been studying healing and meditation since the early 80s, and teaching the rhythms since '93.

"My teaching style is clear, high energy, and I hope inspiring. I'm a rock and roll monk, dedicated father, endless seeker, a take-no-prisoners big cat who's spent enough time in the shadows to know how precious it is to enjoy life, and to have compassion for most of what turns up on the dance floor."
